ISCHIA (Nitrodi spring)

Half Day ➔ **Tuesday** * Euro **26,00** (Children <12 years -10%) • (Guide: Italian)

Pick up from your Hotel um 14:20 circa. The oldest spa in the world, already known to the early Greek colonisers of Southern Italy and dedicated to Apollo and the Nitrodes nymphs. The history of the Nitrodes springs is essentially that of Mediterranean civilisation as the earliest sources on use of the springs dates to the era of the Greek colonisation of the island of Ischia. It was in these far off times that the spring began to be used by those looking for relief from the most diverse illnesses. To Nitrodi went warriors wanting to heal their injuries, women wanting to be mothers, the elderly hoping to relieve their gout and arthritis and Roman matrons looking to protect their skin and hair from the ravages of time with the extraordinary properties of this fons juventutis. There was a cure for everyone's ailments: war injuries healed quickly, the old were more agile and youthful and women emerged from the waters more beautiful and fertile than ever! The 'super powers' of the Nitrodi spa waters were such that the springs became a very important devotional centre from the 1st century BC to the 3rd century AD. In addition to the shower, you will also be offered a thermal mud mask for the face.
